Claims review

Path A: the product stays a condom accessory. Never publish erection, hardness, stamina, ejaculation timing, venous leakage or 'no side effects' claims, 'Andrologically tested', 'patented' or 'clinically proven', or any doctor's name or photo. The current box badges and leaflet benefits are being removed in the next print run.

5 Pattern and graphic devices

Ring Ripple. Offset concentric rings in Lime and Deep Green with a soft black halo on Dr Mit Green, abstracted from the ring's shape.

- Use as a background on green panels, banners and box sides
- Keep text on a solid green or black panel, not directly on the rings
- Do not rotate, recolour or crop the rings into the logo badge
- One pattern area per layout, at most a third of the surface
